

§ 708a.5

§ 708a.5 Notice to NCUA.

(a) The credit union must provide the Regional Director for the region where the credit union is located with notice of its intent to convert during the 90 calendar day period preceding the date of the membership vote on the conversion.

(b) The credit union must give notice to the Regional Director by providing a letter describing the material features of the conversion or a copy of the filing the credit union has made with another Federal or State regulatory agency in which the credit union seeks that agency's approval of the conversion. The credit union must include with the notice to the Regional Director a copy of the notice the credit union provides to members under § 708a.4, as well as, the ballot form and all written materials the credit union has distributed or intends to distribute to the members.

(c) If it chooses, the credit union may provide the Regional Director notice of its intent to convert prior to the 90 calendar day period preceding the date of the membership vote on the conversion. In this case, the Regional Director will make a preliminary determination regarding the methods and procedures applicable to the membership vote. The Regional Director will notify the credit union within 30 calendar days of receipt of the credit union's notice of intent to convert if the Regional Director disapproves of the proposed methods and procedures applicable to the membership vote. The credit union's prior submission of the notice of intent does not relieve the credit union of its obligation to certify the results of the membership vote required by § 708a.6 or eliminate the right of the Regional Director to disapprove the actual methods and procedures applicable to the membership vote if the credit union fails to conduct the membership vote in a fair and legal manner.

§ 708a.7 NCUA oversight of methods and procedures of membership vote.

(a) The Regional Director will issue a determination that the methods and procedures applicable to the membership vote are approved or disapproved within 10 calendar days of receipt from the credit union of the certification of the result of the membership vote required under § 708a.6.
